Liz: overturning the rules Ludovica + Roberto Palomba

Liz armchair, a surprising design by Ludovica + Roberto Palomba it looks like a classic indoor armchair, but the innovative materials involved in its manufacturing turn it 100% outdoor. Entirely made of recycled aluminum with injected aluminum legs and technical fabrics suitable for outdoor use, because of its looks *Liz* is the archetype of an indoor seating, but one that can be placed outside without fear of messing it up. Thanks to its small size, it fits many different spaces. Easy to move, easy to adapt, easy to love. A local product, upholstered by our master craftsmen in our factory premises, it is not just comfortable, but super comfortable; not elegant, but super elegant. *Liz* will overturn the rules of outdoor seating forever.

Technical information
