SOMETHING SPECIAL

FOR SUMMER 2021

Our tagline—Something Special—came from you. It is how you described us when we asked. And 12 years later, we try to be true to this mission that you gave us. It starts with us asking a simple question, “What do you need?” Your answers have stayed the same, even with the changes we have seen in our world the last 2 years. You asked for:

Inspiration, Inventory, and to just Make It Easy.

INSPIRATION: Our products always come first. It is what we love and why Made Goods is our passion. The excitement of finding a new material, a new shape or a completely new concept drives us. While we know many of our peers are cutting back, or even eliminating new introductions, we aren’t! New product introductions are a priority, and we have some amazing pieces to share.

The Summer 2021 collection is one that evokes an emotional response. Pieces that you’ll grow to love more over time. Pieces with depth and complexity—truly Something Special. We are particularly excited about our new lounge chairs and the expansion of our size offerings in many new and best-selling pieces.

We have **INVENTORY**. Yes, we do! Real inventory and not leftovers that nobody wants: best sellers, new introductions, size options, etc. This hasn’t been easy and has required careful planning for the last year. This investment in stock is one of our commitments to you.

To **MAKE IT EASY** is hard work! What does it even mean? We believe it’s rooted in the passionate Made Goods team that is working to support your business—from Customer Service to Sales, from Receiving and Warehousing to Marketing and Visual. Also our amazing Showroom teams and critical support

functions like Human Resources, IT, and Accounting all work to tie us together. This business is not just us—it’s a team of truly great people. When we mess up (and we do!) we own it, strive to learn from it and be better next time. That’s the hard work of making it easy!

One thing ties this all together—our **LONG-TERM FOCUS**. We started as a couple of scrappy mirror makers in 2009, and we continue to be family-owned today. Because of this, we are free to do what’s right for the long-term, not just for the next three months. We can invest in what we believe in (new products, inventory and the best team in home decor). This is only possible because we can make these decisions ourselves, without approval from any banks or investors.

It was so great seeing many of you during the June High Point show, and as always—thank you for your support!

WWW.MADEGOODS.COM

INFO@MADEGOODS.COM

CAN YOU TELL ME ABOUT YOUR PRODUCTS?

Made Goods products are handmade using natural materials. They are not mass-produced. Variation between products should be expected.

While we strive to present the most accurate portrayal of all Made Goods products, please note that there will be differences in color and/or finish between any representation of the products (printed and online) and their actual appearance. This is due to several factors. The natural materials and handcrafting involved in creating our one-of-a-kind collection means that we are selecting one item for photography. The process of photographing our collections and printing or presenting the images inherently causes variation due to lighting, the color of the wall, the type of paper, or the calibration of your screen.

A physical sample of the material used in a piece is the best way to gain an accurate representation of an item. Made Goods stocks sample swatches of more than 350 finishes that can be purchased. We offer sample swatches in order to provide the utmost accuracy for your pre-purchase review. Please reach out to our customer service team with any questions or requests for more product information.

IS IT POSSIBLE TO SELL YOUR PRODUCTS ONLINE?

Made Goods is happy to allow our current retailers to sell the products they stock on their website. To protect our retail partners, we do not sell to online only retailers who do not stock products. Contact us to become an ecommerce partner.

HOW DO I REQUEST A COPY OF OTHER CATALOGS OR A PRICE LIST?

To receive a copy of our other catalogs or a price list, you must have an established account with Made Goods. If you have an account and need replacement material, please contact us.

CAN I RETURN A PRODUCT?

It is within our sole discretion as to whether to accept returns of merchandise. Items returned without our prior authorization will be refused. A 25% restocking fee will be applied to all approved returns that are not defective.

Returned items must be in their original condition and packaging, and the customer shall prepay and be liable for all charges in connection with the shipping of returned goods, including insurance. It is the customer's responsibility to pack items appropriately for return. Customers will not be given credit for authorized returns that arrive with damage due to poor packaging. If the return is a shipping error on our part, or the result of a manufacturing defect, we will replace the item at no additional cost to you.

WHAT IF MY PRODUCT ARRIVES DAMAGED? SHIPPING:

Signature of receipt by you, your agent or employee constitutes full acceptance of all packages stated on the bill of lading or electronic clipboard in undamaged condition.

You are responsible for all shipping and return charges for any shipment that is refused as well as forfeiture of your deposit. We shall not be liable for delay in shipment for any cause, nor shall any delay entitle you to cancel any order after it has shipped or refuse delivery. Delivery may occur in multiple lots depending upon availability of the products constituting an order.

LIMITED WARRANTY:

We ship items that conform to the samples we display at wholesale trade shows and on our website; however, variations are a normal part of the production process. Our products will be free from defects in material and workmanship that materially impair the use of the product. You agree (a) to fully examine goods upon delivery, (b) to save all packaging materials with respect to damaged or defective goods, and (c) to contact us and your designer and (d) to provide a photograph showing the damage or defect within five (5) business days of delivery. We will, at our discretion, repair or replace the item. If damaged item(s) are to be replaced, the items must be returned prior to shipment of a replacement or authorization of credit. For all returned products, only use the shipping documents provided by Made Goods.

Shipping reimbursement will not be made for use of non-authorized shipments. All returns must be properly packaged with original packaging (unless otherwise instructed), clearly labeled with correct RA# and scheduled for pickup within five (5) business days of receipt of shipping documents. This is our only limited warranty or liability. Our limited warranty does not cover: (a) normal wear and tear, (b) product variations, (c) defects or damage occurring due to, or following, product modification (d) damage caused by shipping/transit and (e) damage caused by misuse, abuse, or negligent treatment of merchandise or (f) pieces moved from their original delivery location. Our limited warranty is void if repairs or modifications have been attempted by any person without our consent. Our limited warranty is limited to the original wholesale purchaser. In no event shall we be liable for incidental or consequential damages in connection with the purchase or use of any merchandise. This limited warranty provides your exclusive remedy for any defective product.

THE FOREGOING LIMITED WARRANTY IS MADE EXPRESSLY IN LIEU OF ALL OTHER WARRANTIES, EXPRESS, IMPLIED OR OTHERWISE, INCLUDING WARRANTIES OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE OR ANY AFFIRMATION OF ANY FACT OR REPRESENTATION WHICH EXTENDS BEYOND THE LIMITED WARRANTY SET FORTH ABOVE AND ANY SUCH WARRANTIES ARE HEREBY EXPRESSLY DISCLAIMED.

CARRIER DAMAGES:

Claims for damage to products that do not arise from defects in material or workmanship are the responsibility of the carrier. If the shipment arrives with visible exterior damage (crushed box, broken crate, moisture, etc.) note the damage in writing on the carrier's delivery receipt before you sign for the shipment and release the delivery driver. A claim for shipping damages will not be accepted by Made Goods unless the damages are noted on the carrier's delivery receipt. Within five (5) business days of receipt, you must (a) unpack and thoroughly inspect shipment for damaged items, (b) SAVE ALL PACKAGING UNTIL CLAIM IS RESOLVED and (c) email info@madegoods.com to report damaged items and to receive a return authorization number (RA#).

We will, at our discretion, repair or replace the item. If damaged item(s) are to be replaced, the items must be returned prior to shipment of a replacement. For all returned products, only use the shipping documents provided by Made Goods. Shipping reimbursement will not be made for use of non-authorized shipments. All returns must be properly packaged with original packaging (unless otherwise instructed), clearly labeled with correct RA# and scheduled for pickup within five (5) business days of receipt of shipping documents.

RETURNS:

It is within our sole discretion as to whether to accept returns of merchandise. Items returned without our prior authorization will be refused. Returns will not be accepted if more than 30 days after the date of delivery. Returned items must be in their original condition and packaging, and you shall prepay and be liable for all charges in connection with the shipping of returned goods, including insurance. The 25% re-stocking fee will be kept on all returns of merchandise that is not defective.
