The Porto Collection FALL / WINTER 2024

Introducing our Fall/Winter 2024 Collection, where the vibrant spirit of Portugal is captured through Laura's original designs. This collection is a celebration of life, art, and the 'joie de vivre' that defines this coastal paradise.

Drawing inspiration from the mesmerizing tiles of Portugal's historic buildings, the rhythmic waves of azulejos, and the geometric motifs of Moorish architecture, this collection balances the familiarity of the country's traditional motifs with the vibrancy of its culture and people. It is a testament to Portugal's rich cultural tapestry.
