## GUARANTEED QUICK SHIP WALLCOVERING

Scalamandré is proud to introduce its Guaranteed QUICK SHIP Wallcovering Program, a curated library of iconic patterns that transcend design trends—many of which have become enduring cultural symbols.

These wallcovering book programs are assembled to preserve Scalamandré's most sought-after designs, ensuring long-term availability and consistency for our trade partners for years to come. The collection will be thoughtfully expanded each year, introducing new designs that complement the program while honoring Scalamandré's heritage and design legacy.

Most wallcoverings featured in the program are made in the USA, produced in Calhoun, Georgia, and guaranteed to be QUICK SHIP. To support immediate fulfillment, pre-printed rolls are maintained in our warehouse, allowing orders to ship without delay. In the rare instance an item is not available on the shelf, it will be printed on demand and will still ship within 3–5 business days, ensuring reliability without compromise.

The Guaranteed QUICK SHIP Wallcovering Program reflects Scalamandré's ongoing commitment to craftsmanship, service, and timeless design—meeting the needs of our valued customers while honoring a legacy of excellence.
